1. Everything is new in your life, for you have held onto nothing, in this world, or the next, as defined by man. For what is man that he should define anything, besides, apart from me?

2. And I know who I am, where, I am going and why, and what am I doing there, I know also as well, for I know well full, and full well that I am I am, not dependent on anything or a person again that thinks they be not me. I change all that.

3. I am new and made whole and living Revelation I am before you all.

4. This is Theodore Cottingham as I have just left the coffeeshop where I posted a word, a message that God has given me, that has given me 2,000 and more that I have posted. Not ALL in the coffeeshop, but I have posted many, many places, and now I am me made whole.

5. What are you?, doing about YOUR future? In laws, not, coming now; but what? In love are who coming now?, to be with you?, in you your school made whole well and healed -- beyond the relief of me, not; or what is relief or what am I saying speaking of now? All things new -- for you have relegated me to nothing else but made me preeminent in your life that mine is, so you learned a new way speaking unto me that I am is me and let me speak unto you that I am revealed, that I am is the one hearing speaking, these words and more! *I love you all to do this, being this, be doing this this way and speaking me more all of you -- into "little recorders" and transcribing me and posting me MANY PLACES now! On the Internet and places unseen and worlds going to now, shall we?*

6. I love you all to be so unafraid as to come unto me and holding onto nothing, but your pants, not; but holding on to NOTHING of the flesh of this world at all -- see my values CHANGE; in lightning's stance, not; but lightning I am all of my values so all of them, all of mine will be known in "NEON lights", and looking up shall we? Be not afraid or ignorant or apathetic of my love, my words, now that have come and come and coming are and through all me the surrendered.

7. Are you the surrendered also lovely reader hearer, also? Will you be the lovely I am? Are you, anything else? Have I made "junk", not; have I made anything but me's? Notme's notme'd me, but only me's now exist, for all notme's shall be exonerated not, but unless they surrender -- to be who I am is! And I am is -- another soul, not, coming unto me, to want me to be them or give me them or their time my time or whatever they think they might want. And in wanting me you become me or else you don't see me.

8. See me not, not; for all I am before you is, and all see me now as I am -- you, in "sheep's clothing" or not -- or what are you in, wolves clothing? And who is your voice now speaking these words into your mind as you read them or hear them? And what is "your mind" saying to "you" about ANYTHING now? Or do you know "your mind"? Or do you know your mind is mine and mine is yours and we have only one?

9. What will you know, be taught today? In My School (1), shall we learn now? I love you all and I give you a Whole New Life of me me's known and far aways now we go often, and sooner immediately, if not thou then thine, not; but all now thine are mine made whole.

10. And I love you all to know me these words ***and understand them*** coming into the greatest graciousness -- of all mankind, not; but all I love is all thine and mine are yours and yours are mine.

Amen
